VANCOUVER – Nominations are now open for the 14<sup>th</sup> annual BC Health Care Awards. The awards celebrate successes and achievements in BC's health care system, and recognize people who provide outstanding care and support. Awards are for projects that improve health care delivery, and for individuals who make a positive impact and inspire those around them.

Nominations are accepted online at [BCHealthCareAwards.ca](http://BCHealthCareAwards.ca) until March 20, 2020. Health care colleagues and members of the public – including patients and their families – have the opportunity to recognize and thank health care employees in their communities by submitting a nomination.

“The BC Health Care Awards are a great opportunity to highlight some of the incredible health care professionals who ensure that British Columbians receive world-class, person-centred health care services each and every day,” said HEABC President & CEO Michael McMillan. “Over the past 13 years, the awards have recognized more than 230+ individuals and project teams who have made our province a leader in patient care, medical research and innovation.”

Visit [BCHealthCareAwards.ca](http://BCHealthCareAwards.ca) and follow the awards on [Twitter](#) or [Facebook](#) for updates.
